

October 2021

Dear California Clubhouse Community,

To protect the safety of all who engage in California Clubhouse activities, proof of COVID-19 vaccination or a weekly negative COVID-19 test is now required for participation in any indoor programming including indoor outings such as bowling and movies. The requirement will be effective **Monday, November 1<sup>st</sup>, 2021**.

In addition to wearing masks and adhering to Clubhouse COVID protocols<sup>1</sup>, you will be required to show proof of vaccination or a valid negative test each time you come in, including indoor outings.

You must show one of the following:

- Show your original vaccination card or printed copy<sup>2</sup>
- Show digital proof of vaccination on your phone. This is not a picture of your card.  
*Go to [www.myvaccinerecord.cdph.ca.gov](http://www.myvaccinerecord.cdph.ca.gov) to receive your digital proof of vaccination.*
- Provide documentation **once weekly** of a negative PCR testing or antigen testing (COVID-19 test).  
***We are not accepting at-home tests currently.***

Unvaccinated members are asked to bring a weekly negative COVID-19 test to participate in indoor programming including indoor outings.

If you would like support getting vaccinated, please call CA COVID-19 Hotline 1-833-422-4255 or visit the website [www.smchealth.org/vaccine-clinic-calendar](http://www.smchealth.org/vaccine-clinic-calendar) to schedule a Member Need Appointment. Many places are now offering drop-in vaccination and COVID-19 appointments; we are happy to find you a location.

If you are not vaccinated or unable to provide a negative COVID-19 test you may still participate in virtual programming. Virtual programming runs Monday-Friday 8:30am-5pm and Evening Chat 5pm-7pm.

This was an extremely difficult decision to make but the health, safety and well-being of every member of our Clubhouse community remains my utmost priority. Thank you for your understanding and cooperation.

In community,

Monica Nuñez  
Interim Executive Director
